

SUMMER 2016

Burgundy / Rhone In Bond Fine Wine Offer + New Bin Ends and Kracher final stocks offer

We have accumulated a fair bit of high quality Burgundy and Rhone wines over the last few years.

These have all been bought en primeur, and are stored under bond at London City Bond.

Priced to be ultra competitive, in most instances our price is the best on the UK market.

All wines are available immediately and offered by case of 6 or 12, or occasionally in a smaller amount, but still under bond.

We have added some other fine wines that are in bond and a more general BIN END list.

First come first served, payment strictly at the time of order please.

Onward delivery charges apply. There is no further discount.

Wines in **Blue** are white wines.

Prices in **RED** are duty paid.

(For those who are not used to buying under bond, please add £25.00 per case of 12 or £12.50 per case of 6 then add 20% Vat to arrive at a duty paid price.)

if you want to order via the website then please just add BIN END to the comments section when checking out.
