Errazuriz 'Las Pizarras' we finally managed to secure a small allocation of these extremely sought after and tiny production Chilean wines that are widely regarded as the best cool climate wines made to date. James Suckling scored the Pinot Noir an amazing 98 points and likened it to top Grand Cru Burgundy. The Chardonnay scored 96 points. We hope to get a bit more of the even higher rated 2015's though they will only be more expensive due to the exchange rate.
