Luminous Hills and Seven of Hearts are an exciting new discovery. Luminous Hills are estate wines and are silky, elegant and delicious. Seven of Hearts are made the same way but fruit is bought in from vineyards across Oregon, and often in very small quantities. We love these wines and customer reaction has been very positive. Quit forward styles that offer a lot of pleasure.

See the newsletter or website for our offer on the top scoring wines from Tim Atkin MW's South Africa 2017 Special Report. Some truly exceptional wines. South Africa has to be one of the most exciting countries for wine at present. Our range is much expanded, because we like the wines so much and largely offer a lot of value. Even those more premium priced are god value when compared to their European or US counterparts.
